Request for Expressions of Interest (REOI) for Detailed Engineering Design (DED) Consultancy Services [International]

Bangladesh Hi-Tech Park Authority (BHTPA) desires to select an international consultant firm for the Detailed Engineering Design (DED) consultancy services under its "PDA for IT Parks for Employment and Innovation Project" assisted by Asian Development Bank (ADB). The consultant firm will prepare detailed engineering design for physical infrastructure to be developed at Bangabandhu Hi-Tech City (BHTC), Kaliakoir, Gazipur, Sheikh Hasina Software Technology Park (SHSTP), Jessore, Purbachal IT Park (PITP), Dhaka. The detailed engineering design also includes physical infrastructure to be developed in the selected universities under the project.

Specific objectives of this DED package under PDA are the following:

- (i) Review the existing information available with the concerned agency;
- (ii) Conduct the required surveys;
- (iii) Prepare detailed feasibility studies and finalize the subprojects;
- (iv) Identify the priority subprojects to be undertaken under ADB-financed project. Prepare detailed engineering designs, drawings, specification, and cost estimates;
- (v) Prepare bidding documents following ADB's Procurement Guidelines and standard bidding documents for civil works;
- (vi) Assist the executing agency with the bidding process up to contract award for the works and goods/equipment packages;
- (vii) Prepare necessary safeguards documents following ADB's safeguards policy and obtain necessary environmental clearance from the government;
- (viii) Provide project management support for managing the infrastructure development work;
- (ix) Prepare DPP and assist in the approval process;

N.B. Details TOR is published in the Consultant Management System (cms.adb.org) of ADB.

Interested firms shall submit EOI through Consultant Management Systems (cms.adb.org) of ADB on or before 27th April, 2017 within 3:00 PM Bangladesh Time.

Interested firms are requested to communicate through e-mail: atikcivil35@gmail.com for queries (if any);
